

SABSONS

FASTNERS PVT LTD

OUR JOURNEY

We kicked off our production journey on March 4, 2000, focusing on tungsten wire, molybdenum wire, and tungsten filaments for GLS lamps. Fast forward to today, and we've expanded our operations to include a new manufacturing line for automobile lamp filaments and a variety of plastic products. This includes dry syrup HDPE bottles, eye drop bottles, caps, plastic containers, and other plastic items, all produced within the same facility.

INDUSTRY COMPLIANT

- ISO Class 7 production facility.
- ISO 9001:2015 certified

SABSONS
FASTNERS PVT LTD

OUR VISION

To offer high quality packaging and systems for healthcare by applying highest standards of safety, quality, innovative techniques to delight our clients, partners, suppliers, and employees. Optimum use of resources, energy efficiency and protection of the environment will be the foundation of our sustainability efforts.
